BEFORE ionCleanse

AFTER 30 min. Session

We live in a toxic world.

We are now exposed to the greatest toxic load in the planet's history. Our bodies are constantly bombarded with chemicals, toxins, heavy metals and pollutants.

Degenerative diseases such as

**Cancer • Diabetes • Arthritis • Heart Disease • Obesity • Psoriasis Gout
• Joint Pain • Depression • Chronic Fatigue • Fibromyalgia**

are on the rise, and there is a definite connection between cellular toxicity and illness. Our lifestyle choices affect our health and well-being.

Ongoing and periodic detoxification, combined with a healthy lifestyle and high quality supplements of vitamins and minerals are key to good health. Once you have tried IonCleanse® you will understand why people are calling it the most advanced form of detoxification available today.
